Privacy Act Statement: The authority to request this information is contained in 5 U.S.C. 301, the Federal Advisory Committee Act (FACA), and 43 CFR part 1784. The appointment officer uses this information to determine education, training, and experience related to possible service on a BLM advisory council. If you are appointed as an advisor, the information will be retained by the appointing official for as long as you serve. Otherwise, it will be destroyed 2 years after termination of your membership or

returned (if requested) following announcement of the Board's appointments. Submittal of this information is voluntary. However, failure to complete any or all items will inhibit fair evaluation of your qualifications and could result in you not receiving full consideration for appointment.

**Membership Selection:** Individuals shall qualify to serve on the Board because of their education, training, or experience that enables them to give informed and objective advice regarding the interest they represent. They should demonstrate experience or knowledge of the area of their expertise and a commitment to collaborate in seeking solutions to resource management issues. The Board is structured to provide fair membership and balance, both geographic and interest specific, in terms of the functions to be performed and points of view to be represented. Members are selected with the objective of providing representative counsel and advice about public land and resource planning. No person is to be denied an opportunity to serve because of race, age, sex, religion, or national origin. Individuals who are federally registered lobbyists are ineligible to serve on all FACA and non-FACA boards, committees, or councils in an individual capacity. The term "individual capacity" refers to individuals who are appointed to exercise their own individual best judgment on behalf of the government, such as when they are designated Special Government Employees, rather than being appointed to represent a particular interest.

Pursuant to Section 7 of the Wild Free-Roaming Horses and Burros Act, members of the Board cannot be employed by the State or Federal Government.
